

March of Dimes Canada Retrofit Vehicle Initiative FAQ

1. How should I send in my Application?

You may submit your Application via fax at 519-432-4923, by email at modcretrofit@marchofdimes.ca, or by post at:

March of Dimes Canada Retrofit Vehicle Initiative
291 King Street, 3rd Floor
London, Ontario N6B 1R8

Please note: Only complete Applications with all required documentation will be reviewed.

2. I've just submitted my March of Dimes Canada Retrofit Vehicle Initiative Application. When will I hear from you?

A receipt is issued immediately via email to each Applicant. Only the winning Applicant will be notified. The announcement will take place on February 22, 2014.

3. I have more information that I want to submit for my Application. What should I do?

You are welcome to submit additional information up to February 14, 2014, which is the application deadline.

4. I only have part of the required documents for my Application. Can I submit what I've got now, and send the rest later?

In order to have your Application reviewed, a complete package must be submitted. If you are not able to submit all your documents by the deadline of February 14, 2014, your application cannot be considered.

5. The modification I need for my vehicle is not listed in the March of Dimes Canada Selection Criteria. What should I do?

Call this toll-free number directly to discuss your concerns with March of Dimes Canada staff: 1-855-660-6632

March of Dimes Canada Retrofit Vehicle Initiative FAQ

6. What do I do if the modification I need costs more than \$15,000?

The winning Applicant will be responsible for any modification costs over and above the March of Dimes Canada Retrofit Vehicle Initiative grant. You may need to seek alternative funding sources in order to complete your modifications.

7. If my modification costs less than \$15,000, can I use the balance of the funding to help me purchase a vehicle?

No – March of Dimes Canada Retrofit Vehicle Initiative funding may be used to pay for the cost of modifications only. No vehicle may be purchased with this funding. The winning Applicant will be responsible for supplying a vehicle to be modified.
