

Thank you for your interest in Conductive Education®.

Conductive Education® is a community rehabilitation program offered through March of Dimes Canada, whose mission is to maximize the independence, personal empowerment, and community participation of people with disabilities.

Designed specifically for people with neurological motor disorders, Conductive Education® offers an alternative group setting approach to rehabilitation for people living with Cerebral Palsy, Spina Bifida, Multiple Sclerosis, Stroke, Parkinson's, and Acquired Brain Injury

Thousands of Canadians are diagnosed with the above conditions each year, and Conductive Education® and March of Dimes Canada are here to offer help and support to these individuals and their families.

Everyone involved in Conductive Education® knows that progress is possible, regardless of age, disability, or the amount of time since diagnosis, and it is this shared belief that creates a positive, motivating, and inspiring environment which is conducive to learning.

In Conductive Education®, each person is viewed and treated as an individual, with individual needs and circumstances. As such, there is no "one size fits all" approach to attendance. No referrals are required for the program and a conductor will be able to make a recommendation regarding attendance after an initial consultation has been held.

A completed application form is required for each adult that attends the CE program. Conductors use this information to assess and place the individual in the appropriate group and to prepare the task series for each individual in advance of their attendance. All information collected will be kept confidential. Please print your name and the signatory initials on the top of each page.

How do I get involved?

- After submitting this application form, a member of the CE team will contact you to set up an initial consultation. (Contact information is listed below)
- At the initial consultation, the team will meet with you to explain more about the CE program. At the consultation we will go through a series of movements to see where you with your movements, and talk about aims that can be set, if you choose to attend the program. A full consultation report is written and will be shared with you.
- CE is currently not covered by health and insurance plans.

Liability, No Action, Indemnity Clauses: Release

Please read and sign the following Exclusion of Liability, No Action and Indemnity clauses. By signing below, you will waive certain legal rights, including the right to sue. Please read carefully.

In consideration of the services to be provided to me by March of Dimes Canada, I hereby agree as follows:

1. **EXCLUSION OF LIABILITY**--not to hold March of Dimes Canada, their members, directors, volunteers, officers, agents, representatives, employees, or assigns ("Releases"), or any of them, liable for any losses, damages or injuries that I may suffer, whether to person or property, howsoever caused, including negligence, breach of contract and breach of any statutory duty or other duty of care, on the part of the Releases, or any of them;
2. **NO ACTION**--not to bring any action, proceedings or claims against the Releases, or any of them, for any losses, damages or injuries that I may suffer, whether to person or property;
3. **INDEMNITY**--to indemnify and hold harmless the Releases and each of them from and against all claims, actions, costs, expenses and demands brought by any person in respect of death, injury, loss or damage, whether to person or property, resulting directly or indirectly from my participation with the Releases and the delivery of the projects and services of March of Dimes Canada.

Declaration and Signatures

- I have read and understood this agreement, and I am aware that, by signing this agreement, I am waiving certain legal rights which I or my heirs, next of kin, executors, administrators, and assigns may have against the Releases.
- I hereby release and hold harmless all March of Dimes Canada and any and all other funding or organizations and sources, the owners and/or operators of any facilities utilized and any providers/ conductors of instruction, the agents and employees of any of these parties, from all liability and claims for any injuries or accidents to myself, as well any damages from any cause to any personal property that may occur while participating in the said Conduction Education ® Program.
